To Whom So It May Concern

This reference letter is provided at the request of **E.ABISHA** doing her PG in Master Of Computer Application at **Anna University - CEG** regarding her project having the title of

**SENTIMENTAL ANALYSIS USING COVID-19 TWEET DATA BASE**  
**USING MACHINE LEARNING.**

On the basis of her request, I have mentioned some of the Homoeopathy drugs are used in the course of treatment of **EMOTIONAL BREAKDOWN SYNDROM** like Anxiety,depression,Stress,Anger and Insomnia.

Hereby I recommend some of the Homoeopathy drugs which are regularly used for above mentioned syndrom through the reference of Homoeopathy Materia medica and also from some of therapeutic notes.

I assure that, by the rugular usage of the mentioned drugs in this project will produce amazing recovery from the illness. I am confident that , these medicines can play a vital roll in achieving the project objectives.

I really appreciate **E.ABISHA** for taking such a wonderful topic for her project. I proudly mentioned here that, this project takes the homoeopathy drugs to the new platform of digital world like machine learning and artificial intelligence.

Once again I wish for all her accomplishments and the greatful success of the project

Regards,
